Artistry by Tom

Tom Triplett can create a lasting memory for your home, your office, your business. In fact, he can create a lasting memory OF your home, your business, your favorite car, that antique vehicle you restored, that perfect vacation spot, your favorite memory ...

Let Tom design a custom work of art for you!

Tom is best known for his commissioned work of automobiles, motorcycles and airplanes.

He has done interior artwork and murals for both businesses and residences.

Book illustrations, cartoon work, 1950s style pin ups, theater set design and signage are included in his portfolio.

Prices are based on size, cost of materials and detail options, including ...

... a plain background with a solid color of your choosing.

... a natural background created from the original photo.

... an added or altered background that includes detail or design that was not in the original photo.
